

# The Magic Tumble Bus Design Contest!

I'm a  
**MAGIC**

**TUMBLE BUS KID**

Design our bus doing or being anything you like! If we choose your image you'll get a free T-shirt, a free month of Magic Tumble Bus lessons, and you'll get to see your design being worn around town! Feel free to add things or take them away from this image. Our main criteria are that the image is still recognizable as the Magic Tumble Bus, and that it's family friendly. Please keep in mind that final prints will be made with one color. Here are a few ideas that we've had in the past: The bus driving up Galena Summit, driving through flowers, popping wheelies, the bus as a monster truck, and as a frog. Everyone is welcome to submit their own design, no requirements to be a customer, or any age restrictions here!

Submit designs to your child's center/MTB mail box, fax them to 208-375-0153, email them to [tumbletime59@msn.com](mailto:tumbletime59@msn.com) or mail them to 1379 N Cloverdale, Boise ID, 83713.
