Summer's POWERful words!

June: Integrity July: Perseverance August: Teamwork

Make sure to ask your children the meanings of these words!

LOOKING FOR A SUPER SUMMER BIRTHDAY PARTY OPTION?

If your child loves the Magic Tumble Bus, consider having a **Magic Tumble Bus party!** We come to you!! We can go to homes, parks, or wherever the party is! Our parties can involve trampolines, balance beams, a zip line, parachute, high bars, trapeze, rings, monkey bars, and most any other gymnastics equipment. If you have a theme or skill that you'd like for us to focus on, just call us and let us know!

During the summer we are also available for field trips and house parties throughout the week.

What to not worry about during the summer:

The heat! We have worked out our routes to bring most of our afternoons into the mornings! Keeping in mind the classes that we have kept in the afternoons, each bus is equipped with two auxiliary air conditioners which are working very well in order to keep the busses cool all day long!

Things to look forward to this summer: For our summer classes, we have our huge (How huge? Half the size of a school bus huge!) foam pit, our extra slides (big enough to slide out of the back of the bus!), a new zip line, inflatable toys and squirt guns! (preschool centers permitting)
 We look forward to the new summer block schedule. We must say *thank you* for all our families/preschool's flexibility as we prepare an efficient summer route.
