We have been busy preparing for our summer schedule and routes and everything looks to be ready to run smoothly. We are excited for the good weather that has come to us and look forward to the months to come. This summer we were able to make the block payment program more affordable than last year! If your child signs up from May 31<sup>st</sup> through August 27<sup>th</sup>, they will get 12 weeks of lessons for just over the cost of 9 weekly lessons! We look forward to continue serving your families and preschools!

### **LOST AND FOUND!!!!**

Over the winter coats, gloves and hats have been left on our busses. We try to get every article of clothing and every toy back to the children that they belong to, but we still have some leftovers. If your child is missing anything from last winter, please contact us and see if we have it, we'd be happy to get everything back to their rightful owners.

## Here's what we're doing in May

- \* Outer Space Week: fly through hoops, and spin in the air (over bars) without gravity!
- \*King Kong Week: we get to escape a Broadway show, run up a building and swat airplanes.
- \* Bugs week: We get to crawl, fly and squirm around just like gymnastics bugs!
- \* Rodeo week: Ridding horses, lasso'n bulls, cache'n on the balance beam, and square dancin'!

### Quote of the month

Play is the highest level of child development . . . It gives . . . joy, freedom, contentment, inner and outer rest, peace with the world . . . The plays of childhood are the germinal leaves of all later life.
