A note about our instructors:

Before any of our instructors go out to teach a class they must have their childcare license, be CPR and 1st aide certified, be background checked and finger printed. Each of our instructors have been with us for over two years, and through that time they have been trained in safety and spotting techniques.

Our teachers come with varying qualifications: a WAC championship in gymnastics, each have continued their education, one with a bachelors of arts in Child Development, each have years of prior experience working with children, teaching gymnastics and a passion for what they do!

REGISTRATION FORMS

Even though you may have already filled out several registration forms in the past, we need everybody to fill out the new blue registration forms for the new school year! These serve to update our computer programs, billing information and as a release of liability so that each child may participate. Make sure to put down your email address so that you can stay current on special offers and contests!

Here's what we're doing in September

* Train Week: Cruise through tunnels, over tracks and bridges to develop balance and coordination!

* Robin Hood week: Shoot and dodge arrows, return riches to the poor. The skills in this lesson will help with any throwing sports!

* Olympics week: Show off our favorite skills on the rings, high bar, balance beam, and trampoline. TA DA!

* Ninja Turtles week: Get stuck shell-side-down and bridge kick-over to free yourself, practice basic karate skills, then tuck vault to pizza time in the sewers!

Welcome back friends!

Time for another year of Magic Tumble Bus! We are quite excited to see some new and old faces at new and old centers! While we have the same staff at The Magic Tumble Bus, the instructors may be changing centers, so if your teacher looks new, they've been teaching on The Magic Tumble Bus for over two years doing a wonderful job at other centers and I'm certain they'll do a wonderful job with yours!

September's Word of the Month!

Leadership

We will be talking with the children during our lessons about leadership and when we need to use it .
